

| Exceeds Expectations | Expectations | Needs Work |
|----------------------|---|------------|
| | <p>Content Mastery: Illustrated a sophisticated, comprehensive understanding of the topic; demonstrates student's ability to think deeply and perceptively about complex issues.</p> | |
| | <p>Presentation: Professionally presents a cohesive and thoughtful final product. Creatively edits work, and makes purposeful artistic choices, demonstrating an awareness of the target audience and how to engage the audience.</p> | |
| | <p>Use of Tools: Product demonstrates that student evaluated and deliberately selected digital tools based on the appropriateness to the task. Online content is used legally and responsibly.</p> | |
